dear hotties.....

Dear Editors...

I'm writing because I think I'm in love. I have this thing for strawberry blondes. They are the hottest chicks on the planet. You can keep all those other blondes and brunettes.

Nicole has perfect hair, perfect boobies, perfect skin and perfect pussy hair. She's just the right combination of everything a good woman should be. You got the fresh girl thing down. Strawberries can be young or old, hot or not, they just gotta be fuckable and we guys don't really care if they're built or not. Actually, newbies are often the easiest to screw, especially within a year of their eighteenth birthday. Nicole seems like just that type. Hot, fun and ready to fuck. I bet she wishes she could have my cock in her mouth and pussy so she could suck me off.

Mason Parsons, at JFK

IN FLIGHT AUDITION

Last week I went home to find a letter from a Hollywood agent saying that they were impressed with my audition tape. They wanted me in L.A. in a week to audition for the director. I was so excited, I almost creamed my pants just reading the letter. Now that was a great birthday present for my 19th birthday. I had auditioned in Atlanta with some other actors but don't know if any of them got a call back.

I pack a couple suitcases in hope I will be there for at least a couple weeks. I'd hate to go home after only one day. Now I'm rushing to the airport but I have a fear of flying. I have to get on this flight or I'll lose the gig. I need the money and thought the part would be a great addition to my reel. Reluctantly I boarded the red eye flight to LAX. Fortunately the wait was short so I didn't have a chance to get too nervous, until I got on the plane.

I got a window seat towards the back of the plane but don't know if that was going to be a good thing or not. I put my weekend bag in the overhead compartment and fastened my seat belt. I tried to calm myself by watching the people get on and stash their bags in the overhead bins as I waited for the plane to take off. I thought I would have an empty seat next to me as most of the passengers had loaded, but an older well-dressed man stopped at my row and put his bags away. He glanced over at me and holding out his stub, said "45B, that's me." and sat down in the empty seat.

"Hi my name is Jeremy," he said, as he extended his hand to me. "You look familiar." "Hello I'm Allison," I replied, looking to him closely. "Weren't you at an audition in Buckhead last week?" I asked. "Yes," he replied. "For the Bookworm pilot," he said. "Now I remember you. You were in the morning group and I was in the afternoon group." He went on. After some more small talk about the audition, I

heard the engines rev up for take-off and I told him about my fear of flying. He smiled warmly, and assured me I had nothing to worry about.

As the flight took off, I leaned back, closed my eyes and clenched my teeth until we finally leveled off. That's when I realized I was squeezing Jeremy's hand very tightly. As an older man, he was so comforting at a time like this and as the minutes passed, I felt like I had known him a long time. There was something special about Jeremy. I felt I could talk to him about anything. We practiced some of the script's lines and made each other laugh.

In the middle of it all, I asked him if he had heard of 'The Mile High Club.' He said he had. I asked if he was a member, but he slyly avoided the answer. Like a gentleman, he did not ask if I had joined it. Sitting next to the window, I started to get a chill and Jeremy retrieved a blanket from the compartment above us. He draped it over both of us, from the waist

Any man that can lick a pussy right will have a booty call for life. Of course, it takes experience and communications, but if you got it, you'll get it. It's all about the pussy.

down. He had his arm on the armrest between our seats and I put mine on top of his. I slid my hand down to his wrist and began to lightly rub the back of his hand. I thought he might have been able to read my mind just by looking at me.

I leaned over and rested my head on his shoulder as the pilot announced we had leveled off. The cabin light went out and the crew and plane settled in for the long flight to L.A. My thoughts drifted off and I started to get myself aroused. He put his hand over mine and gently stroked his fingers on the back of my wrist. I looked up at him and

he leaned over and kissed me softly. It was warm and non-threatening. I responded by touching his thigh under the blanket and sliding it up to his crotch. He seemed a little surprised but then slid his right hand up under my top and found my already hard nipples. He gave me another warm kiss on my lips and slipped his tongue into my mouth. He whispered in my ear but I could not make out what he said. I was lost in the moment and him.

From under the blanket he took my hand and placed it right on his cock. I didn't even notice that he had unzipped under the blanket. I found and squeezed

his cock firmly in my hand and gently began to stroke and fondle it's head with my fingertips. His fingers moved from my breasts and pulled back my skirt. I was so hot for this handsome stranger. I wanted to suck and fuck him right then and there.

His fingers slid my panties to the side and ran his fingers through my trimmed bush and over my pussy lips. I moved closer to him in my seat to take in his sexy cologne as he opened my labia and slid a finger inside. I pushed my hand past his cock shaft, found his balls and massaged them. I slid a little more forward in the seat, pulled my panties further open with my other hand as he slid his fingers in deeper and his knuckles brushed against my clit.

He whispered that we were getting too demonstrative and wanted to fuck me. I was little surprised that he wanted to go further than we had gone, but when he pulled his fingers out of my pussy, he left me wanting more. I watched his hand come out from under the

blanket and go right under his nose for a smell. He licked it lightly with his tongue and I almost came right there in my seat. I heard him zip up and before standing he leaned over and asked me to come into the rest room behind our seats in three minutes.

Strangely, I found myself giggling and began counting the seconds down. I laughed at myself, stopped counting at 45, adjusted my clothes and got up and walked the few steps to the back of the plane. Fortunately only one rest room door said 'Occupied' as I quietly knocked and the door opened. He quickly pulled me inside and locked the door behind me.

I immediately kissed him with a lust I had never felt. Our tongues did heated battle in the stall as we groped each other's privates through our clothes. He sat back on the toilet seat and told me to come closer and put one leg on the sink edge. I did and he ripped my soaked panties

I was so wet down there and I closed my eyes and suppressed a muffled scream as I felt him push deeper into me. I moved back and forth on his cock in harmony with his thrusts...

off me. He pulled my hips and closed in on my pussy. His hands rubbed my mound as his lips found my pussy lips and his tongue found my slit.

I braced myself with both arms on the walls as the plane began to bounce around, but that only added to our fervor. I felt him licking the wet juices from my pussy as he slid up and down my slit with his tongue. Jeremy made little slurping noises as he dipped his tongue deep inside of me. I pulled his head back and got him to stand, then we switched places.

Jeremy stood in front of me and I pulled his pants and boxers down to his ankles and instantly slipped my lips down over the head of his cock. I sucked his cock I fondled his balls with one hand. I sucked feverishly because I knew our time was short and I wanted to taste his cum, but sucking his cock made me even hotter for it. He thrust it deep into my throat and I tried to take it all without gagging.

I stood up and turned to face the wall behind the toilet and propped my arms on it. I bent just a little pushing my butt back to him. He moved in and guided his cockhead to my

shiny wet hole and I felt his cock enter me. His hot dick found my pussy and slipped with ease since I was so wet down there and I closed my eyes and suppressed a muffled scream as I felt him push deeper into me. I moved back and forth on his cock in harmony with his thrusts and the airplane's hum.

His balls slapped against my ass with each thrust. I suppressed another scream as I came and a moment later Jeremy let out a grunt as he pulled out and let his juices spew into the sink. We cleaned ourselves off and pulled our clothes back on just as the announcement came that we had begun our descent into LAX.

We each did our audition and we each got the parts we were up for. I stayed a few weeks L.A. filming my part. His went on for a couple more, but in between we saw each other. When he returned to Atlanta, I picked him up at the airport and drove to my house.

— Allison in Atlanta

REINVENTED

*They say that 40 is the new 30.
I really don't care. Do you?
Look at me. A year ago I was
selling cheese in Wisconsin with
a hairy bush and a minivan.
Now, I'm an all new person
ready to take on the world.
Say that you're ready for
me and more like me?*

I've never considered myself a hottie. Only when I walked down the bleacher stairs to my seat at the ball game and I got all these wolf whistles did it occur to me that I might be a hottie. Then when I reached up for a foul ball and my crop top rose up, I got even more.

it's dinner and a fuck

now that's the perfect evening

Dinner lasted a long time.

*In a good way. It was the foreplay
for the rest of the evening and
morning in the bedroom.*

Jake and Kelsey were headed to Cielo, a popular Italian restaurant on the near south side of Chicago. Kelsey really liked the red flocked wallpaper and the large semi-circular, overstuffed booths around the perimeter of the main dining room. With the long red tablecloths, no one could see what was happening below. Nor did anyone really care. Besides the food was great and the drinks were huge.

They were seated in a corner booth and ordered a couple vodka martinis to start. Their conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Kelsey started to go a bit further than just rubbing Jake's leg. This time she went for the zipper, found it and zzzzip, pulled it down in one swift move. "No underwear?" she whispered in Jake's ear. "Not tonight, honey," he replied. "That's funny, not me either," she said as she found his cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails on it. That singular sensation almost made Jake cum, but she squeezed hard and stopped him.

Taking Jake's hand off the wine glass, she guides

it under the table to her wet pussy. With no undies, she tells him to be quick because if she gets too wet, she'll stain her dress and embarrass them on the way out. He says he doesn't care and they laugh. His fingers deftly find her pussy and feels no pubic hair.

"You're bald here?" he asks as he squeezes the soft flesh around her mound. "Not

really," she says, "I have a lit-

tle landing strip." Then whispers, "Just for you." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." They both giggle and the waiter smiles and moves on.

Dinner over and they decide to head home. Jake pulls into her drive way about midnight and both are feeling warm and fuzzy. Kelsey invites him in and takes him by the hand straight up to her bedroom. Inside, Kelsey lets her long blue dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly frames her face and her breasts are bigger than most and, as Jake will soon find out, quite firm. Her hips round and butt firm, and

yes, she has a landing strip.

Kelsey didn't say a word as she fell back on the bed, propping herself on her elbows and looking at Jake who had been taking this all in. She rolls over onto her belly and motions him to join her. In no time flat, Jake is naked and sitting on the bed beside her. He then kisses the back of her neck, dragging his fingers down along her back. He watches her back muscles flex and skin get goose bumps. He whispers "I am going to fuck that pussy and ass hard tonight but first I am going to suck on those tits of yours. You have nice big firm tits and I love to suck tits." He pulled her close and began sucking each boob and nipple as his fingers found her fuck hole and invaded it.

As he sucked Kelsey's boobs, he fingered her hard and deep feeling her pussy get wetter as he finger-fucked her deeper. Then he sucked a nipple harder and rubbed her clit, then pushed his fingers in again. He felt her pussy pulse as his fingers worked it hard. He then said to her "You want that pussy fucked, don't you? I want to feel you cum as I suck your boobs, too. I can't wait to stick my big cock in that pussy and ass. I am going to fuck you so hard and give you every inch of my big thick cock."

Kelsey rolls on her side to put her head in his lap, instantly sucking in his cock. Jake falls back on the bed to give her better access to his cock and balls. She grabs them as she sucks down his

meat rocket. He slips his hands around her boobs again and his fingers find her nipples and squeezes them hard. She yelps and in return gently bites his cock, baring her teeth for him to see. He squeezes

them again and she gulps the whole thing down and gives his scrotum a twist, that he finds painfully pleasurable. Her lust was quickly becoming far too much for her to endure. Jake slides his hand up her legs and finds her swollen clit once more, massaging his fingertip over her quivering bud. This was a moment he had spent the past few months fantasizing about. And now here it was all coming true right there for him. He plunged his fingers into the juicy depths of her pussy and finger-fucked her while she sucked him.

He sucked on her nipples and kissed and bit all over her boobs as his fingers worked her ass and pussy. He had her cumming hard as he fucked her pussy deep. He heard her moan and felt her cum cover his fingers as he whispered to her "You love that don't you? I am going to keep you cumming for a long time. Spread your legs, Kelsey. I want to see that pussy of yours as I push my thick cock in it. I am going to fill you with my cock as I fuck you hard and deep. I'm going to show you how I can make you cum till you scream for mercy. But no mercy for you tonight. We are here to fuck and fuck we will, long and hard. Now spread those legs and then pull your pussy lips back so I can see that pink fuck hole." He watched Kelsey spread her legs then pull her pussy lips back and

FANTASIES FOR SALE

I used to be a shy and innocent girl who didn't even know the facts of life. I got over that pretty quickly and now I'm all about the fucks of life.

he looked at her wet hole before he began to push his thick cock into her. He knew fucking her ass was going to feel so good.

Soaked by her pussy juices, Jake's fingers begin exploring her perfectly tight butt-hole. In the dim light he can see a brown pucker quivering with anticipation and he does not deny it for long. Gently circling it, he plunges a finger in two knuckles deep. She moves her butt back to help push it in deeper. He obliges with another finger and leaves them there so her sphincter can get used to it's new guests. With short deliberate movements he massages her anus from the inside as Kelsey squirms her butt with the sensations he's arousing.

Kelsey's butt cheeks quivered as she felt her body entered. But the deep penetration she desperately wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon Jake so his cock could enter her ass. She pushes onto it with only a slight wince of pain from the initial widening of her small hole. Jake pushes forward, carefully pushing his shaft within the tight confines of her anus. With his fingers, he reaches around her and massages her breasts pulling her tighter into him as he slowly but firmly pushes his cock all the way in her ass. She arches back with great pleasure and grinds her hips on his.

He plunges a couple fingers into Kelsey's soaked pussy, pulling out his soaked fingers and bringing the sensual taste to her lips, sucking them clean as she felt his cock fill her and massage

her insides in the way she imagined. They remained on their sides, relaxing for the moment in the pleasure of one another's bodies and basking in the tingle that ripples over their skin. Him with his cock imbedded in the warmth of her body and her ass filled to the hilt with his cock.

But all this was not enough as

Kelsey's pussy was still empty and she wanted it filled. She lifts a pillow up and stashed under it is her trusty vibrator. She pulls Jake's fingers out and thrusts the vibe in her, turning it up to full blast. Jake feels the odd sensations as well. It feels like his cock's surrounded by the delicate warmth of a vibrating body. She clutches one of the pillows as she holds the vibe inside her pussy. Her body begins to shake as her climax closes fast. Kelsey pumps her ass back into Jake's big cock wildly as the orgasm envelopes her body and all is unnecessary in the world except this moment with this person.

Jake rides her climax gritting his teeth as he moans "I'm cumming!" through his clenched teeth. His final thrust spurts his love juice deep into her ass and fills her with the hot delight of his cum. Slowly she pulls away and his cock falls limp upon him. They lay together in the sweat and a gallon of love juices on a bed drenched with their lust. Her sphincter sore but happy. His cock satisfied, but ready for more. They both lay on their backs as the heavy breathing subsides and Kelsey reaches over to caress and hold Jake's balls in a gesture of appreciation for their contribution. They fall asleep and wake up that way.

I have to admit one of my best fucks was with an older man. Now I'm constantly on the prowl for them. They're more experienced than guys my age, and even though they may not have the stamina to go all night, they sure do know how to make me cum and cum!
